

Countdown to Christmas

Contributed by Louie V
Monday, 01 December 2008

It has started. The countdown to Christmas is in full gear. The house is decorated, but no tree yet! Oh, I love the Christmas Tree! I love to sit under it and gaze at all the twinkling lights. Sometimes I even swat at the pretty ornaments. SHE does not like this. I do like to play with all the little Santas. So much fun!!!!!!
